

BIBLIOGRAPHY OF WORKS ON THE NEW PERSPECTIVE ON PAUL

Compiled by Dennis M. Swanson
Seminary Librarian

In the last several years a revision of an old theological error has become popular within evangelicalism. The adopted name is *The New Perspective on Paul*, or *New Perspective Theology* (see F. David Farnell's earlier article, "The New Perspective on Paul: Its Basic Tenets, History, and Presuppositions," for details). This issue of *The Master's Seminary Journal* consists of the Seminary's Faculty Chapel Lecture Series of January and February 2005. The following bibliography contains the fruit of the lecturers' collective research plus some additional sources.

The listing is not exhaustive but is an effort to facilitate further research and study by *TMSJ* readers. It is divided into four sections: (1) Reference Works; (2) Monographs and Multi-Author Works; (3) Journal and Periodical Literature; and (4) Unpublished and Internet Resources.
