COVER LETTER

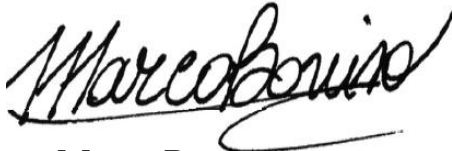

Dear: To whom it may concern,

Over the past six years, I have dedicated time and efforts in studying the Word of God and practice my learning to the service of the church. I was privileged with many opportunities to teach, preach and to care for the people of God under the outstanding leadership of qualified and proven elders. Though I considering pursuing a degree in Mechanical engineering, the Lord has changed my mind and laid upon my heart a desire to know Him and to spend the rest of my life proclaiming His Word both to His people and to the world. After a process of praying, serving and listening to wise counsel, my pastor suggested that I would enroll in seminary affirming the gift that the Lord had bestowed upon me.

As you'll see on my enclosed resume, I have both educational background, and practice of pastoral service. Paul said to Timothy that "if any man aspires to the office of overseer, it is a fine work he desires to do" (1 Tim 3:1), I do desire that work.

The purpose in this resume is to provide you with a good overview of what I believe and how we might join together in serving the Lord Jesus Christ.

Soli Deo Gloria,
