OBJECTIVE

I am a bi-vocational upcoming graduate who is seeking a Pastoral Ministry in a Biblical Church in Southern California.

PERSONAL

Conversion Experience

I accepted Jesus Christ to be my Lord and Savior in 2007 shortly after moving to California from the East Coast. The Pastor preached from the famous John 3:16 on that Sunday and the rest was history. Prior to that, I was a Catholic. My wife, on the other hand, has been a believer since she was very young and comes from a strong Christian family. Our son who is now in 7th grade accepted the Lord Jesus Christ a few years ago.

Strength and Ability

My strengths are teaching, preaching, and strategic planning. Although I am more of a person who focuses on the long term, I believe the spiritual gift of each believer is essential not only to equip the saints for the work of service but also to build up of the body of Christ (Eph 4:7–16). As a result, I am your “big picture” fellow brother in Christ who also enjoys working together with others as “one team.”

Ministry Goal and Style

The goal of every Pastor should be: “We proclaim Him, admonishing every man and teaching every man with all wisdom, so that we may present every man complete in Christ” (Col 1:28). In order to achieve that, our Lord Jesus Christ had shown “the model” for ministry based on His: Be compassionate to others while proclaiming the biblical truth. Therefore, I believe this is what we should do: Love God, Love People.

MINISTRY EXPERIENCE

Maranatha Christian Fellowship (MCF)

Since mid-2020

MCF is a bilingual English-Indonesian Church at Reseda, CA. MCF has a Mennonite denomination. Menno Simon was a “Dutch” version of John Calvin and Indonesia was a Dutch colony for 350 years before its independence in 1945. My ministry experiences so far are:

- Preach on Wednesday Night on the last week of every month. If there is a 5th week in the month, I will preach on both 4th and 5th weeks of the month.
- Preach on Friday Night for the Youth once a month—typically in the 2nd week of the month.
- Preach on Sunday whenever the Senior Pastor is out of town.
- Write a Weekly Devotional for the Church. I have been writing the weekly verse-by-verse exposition going over the Gospel of John since mid-2020. We are currently in Chapter 11 of John.
